

Gniazdo ładowarki USB 2.1A bez ramki, antracyt, Asfora

Schneider Electric Asfora USB charger EPH2700271 is a mechanism with fixing frame in color anthracite with 2 terminals. This USB charger is with USB 2.0 port, making your daily charge for mobile/tablet as convenient as possible. Its power consumption is 0.1W. 100...240V is the rated operational voltage. The input power of this USB charger is 12W. And the nominal output power of this USB charger is 10.5W, whose output current is 2.1A. Its protection type is short-circuit protection, taking care of your safety as much as possible. The device's fixing mode is by claws, by screws. 22.5 mm, 45 mm and 42 mm are the width, height and depth respectively, and 30.8 mm in embedding depth. Flush mounting is available so that its box can be recessed into the surface. The service life of this USB charger is 30000 hours, which makes it as robust as possible. The USB charger effectively prevents electric shocks and equipment damage with electrical insulation class II. Besides, it reaches IK04 protection level, protecting against 0.5 joules of impact, the equivalent to the impact of a 0.25kg mass dropped from 200mm above the impacted surface. Besides, the IP rating of this device is IP20. What's more, it's directives are 2002/95/EC - Ro. HS directive, 2002/96/EC - WEEE directive, 2004/108/EC - electromagnetic compatibility, 2006/95/EC - low voltage directive. The USB charger is made of ABS (acrylonitrile butadiene-styrene), PC (polycarbonate) GF10 FR, making it as resistant as possible. Also, being environment-friendly, this device reached Regulation (EC) No 1907/2006. This equipment is qualified for EN 60950-1, EN 62684, ETSI EN 301 489-4 standard as well. It obtained EAC certificates as well. Asfora products are made from high-quality materials that won't yellow over time. The sleek, elegant design harmonizes perfectly with virtually any interior.

Informacje ogólne

GTIN/EAN	3606481142399
Alt. ID produktu	EPH2700271
Nazwa producenta	SCHNEIDER ELECTRIC
ID produktu wg producenta	EPH2700271
Seria produktu	Seria łączników i gniazd Asfora
PKWiU	27.33.13.0
Kod celny	85044055

Opis ETIM

Klasa	Zasilacz z gniazdem USB (EC002949)
Grupa	Elementy instalacyjne i podłączeniowe (EG000013)
Model	Inne
Liczba wyjść	2
Zakres napięcia pracy	100..240 V
Zakres częstotliwości	50..60 Hz
Maksymalny prąd wyjściowy	2100 mA

Napięcie wyjściowe	5 V
Sposób montażu	Montaż podtynkowy
Kolor	Antracyt
Numer RAL	7021
Min. głębokość puszki montażowej	30,8 mm
