Bird protector set

SP45.3

---

**Code** SP45.3

**GTIN** 6418677405327

**Name** Bird protector set  
For line insulators

**Description** SP45.3 Bird protector prevents failures created by birds or other animals in bare or covered lines. SP45.3 is suitable for different pin and line post insulators. SP45.3 is easy to install even in line angles or when the conductor is attached to the neck of the insulator. SP45.3 covers arc protecting devices (i.e SEW20.2) in covered conductor lines and it is weather resistant. Extra length can be achieved in combination with SP31.3 Delivered in complete sets of 3 pcs.
